

NNAS Lecture Dates 2021-2022

Saturdays at 2.15pm

The Town Close Auditorium is not yet ready to reopen to visitors, so we will be trialling Hungate on Princes St as a venue until it is. It can be cold in winter though, so wrap up well and we will provide tea! All lectures will be live but with streaming on Zoom in parallel - unless otherwise advertised - so if you don't want to be there you can still join in. Zoom links will be distributed in the monthly members email, so please do sign up to that list if you wish to use them.

Lectures remain free, with a donation requested from non-members.
